Will I close my eyes  
Will I hold my breath  
Will I want to cry  
Will our souls connect  
I've been thinkin' about it  
When I go to bed at night  
I wonder, I wonder

Will you hold my hand  
Will you speak of love  
Will the stars be shining in the sky above  
Will it be all I've been dreaming of for so long  
Holdin' on

Our first kiss  
Won't be the last  
Our love's too deep  
To end that fast  
And good things come to those who have to wait  
I believe it's only time  
That keeps us from the thing divine  
And when it's here you know  
I'm gonna say

Will it taste like candy  
Will it be that sweet  
Will our hearts be racing to a heavenly beat  
Will the moment sweep me off my feet  
And draw me under, under

Will I tremble tremble  
When I beg for more  
Will it be like anything I never felt before  
Will we be down for a little more  
One thing I know for sure

Our first kiss  
Won't be the last  
Our love's too deep  
To end that fast  
And good things come to those who have to wait

I believe it's only time  
That keeps us from the thing divine  
And when it's here you know  
I'm gonna say

I can picture it all inside my head  
Just how it's going to feel  
But a girl can only dream so much  
Now she wants to make it real  
Make it real

Our first kiss  
Won't be the last  
Our love's too deep  
To end that fast  
And good things come to those who have to wait  
I believe it's only time  
That keeps us from the thing divine  
And when it's here you know  
I'm gonna say
