Don't give me a second chance
It'll be the same
You will be the consequence
And I will have the pain
You are something else
I have to survive
That is why I say
With tears in my eyes

I wish I never opened up my heart
I didn't mean to love you baby
I wish I never let it get this far
I didn't mean to love you baby
If I could have a single wish
I'd turn back time
I didn't mean to make you
I didn't mean to make you
Mine

Don't look at me like I'm mad
I thought you would know
I was getting way too sad
It was gonna show
There was no way I could hide
I could hide the truth
So I took the risk
And fell for you

I wish I never opened up my heart
I didn't mean to love you baby
I wish I never let it get this far
I didn't mean to love you baby
If I could have a single wish
I'd turn back time
I didn't mean to make you
I didn't mean to make you
Mine

I didn't mean to make you hold me
I didn't mean to get so lonely
I didn't mean to say all this to you
I didn't mean to make you need me

I didn't mean to love you like I do
Look at what we've put us through

I wish I never opened up my heart
I didn't mean to love you baby
I wish I never let it get this far
I didn't mean to love you baby
If I could have a single wish
I'd turn back time
I didn't mean to make you
I didn't mean to make you
I didn't mean to make you
Mine
