I dont wanna see ur face  
I dont wanna hear ur name  
I dont want a thing just stay away baby  
Dont wanna know if ur alright  
Or what ur doin with ur life  
Dont wanna hear u say  
U'll just stay in touch maybe  
I'll get by just fine  
And if ur goin then darlin  
Good bye, good bye

Chorus:

Dont call me in the middle of the night no more  
Dont expect me to be there  
Dont think that it'll be the way it was before  
Dont think that i care  
Im not over u yet  
And i dont wanna be ur friend

I'll forget we ever met  
I'll forget i ever let  
Ever let u into this heart of mine baby  
U just gotta let me be  
U gotta keep away from me  
Coz all i want is just to be free from u baby  
Dont u come around  
And say u still care  
About me, just go now , go now  
{chorus}

Bridge:

U take it so casually  
But baby it's killing me, yaeh

Goodbye, goodbye

Don't call me in the middle of the night no more  
Don't expect me to be there  
Don't think that it will be the way it was before  
No, baby  
Don't call me in the middle of the night no more  
I'm not over you yet

And i don't wanna be your friend  
Don't wanna be your friend  
Don't come near  
Don't come around  
Don't wanna be your friend
