Tossin turning  
Rollin over  
My bed this morning  
Can't get over  
Of what you told me  
Over coffee  
That we're worth one more try

I said no  
And walked away  
Cried for making  
Our one last day  
But now I'm thinking  
How I'm missing  
The one who could make me smile

I need your love  
Each and every day  
I need your love  
Each and every day  
I need you  
Every moment baby  
Just letting you know  
I need your love

Got my phone and then dialed your number  
Hoping we could still work things over  
Bust as my calls all got no answer  
Tears dropped from my eyes, cos

I need your love  
Each and every day  
I need your love  
Each and every day  
I need you  
Every moment baby  
Just letting you know  
I need your love

Sobbin cryin I tried to take it  
Slept it through hopin I could fake it

But when I opened my eyes next morning  
Beside me was you, sayin baby
