Standin' by my window  
Lisnin' for your call  
Seems I really miss you after all...  
Time won't let me keep this sad thoughts to myself...  
I'd just like to let you know  
I'd wish I never let u go...

(Chorus)

And I'll always love you  
Deep inside this heart of mine  
I do love you  
And I'll always need you  
And if you ever changed your mine I do love you

Wish you'd never left me but loves a mystery...  
You can't break a heart so easily  
Days and nights reveal  
How much I feel for you...  
Time has come for me to see...  
How much your love was meant to me...

(Repeat chorus)

Time like a river keeps on rolin' by on by  
Nothin' left for me to do  
So I watch the river rise...

And I'll always love you  
And if you ever changed your mind I still  
I stll I will love you

Oohhhh...
