Shoo bee doo bee doo ooh la la  
When I look in your eyes  
Baby, heres what I see  
I see so much confusion  
And it's killing me  
I can't take it anymore, baby  
Why dint you dry your eyes  
Try and realize  
Love can open any door and maybe  
It you trust in me  
I can make you see  
Shoo bee doo bee doo ooh la la come to me baby  
Shoo bee doo bee doo ooh la la don't say maybe  
Shoo bee doo bee doo ooh la la come to me baby  
Shoo bee doo bee doo ooh la la  
I can see youve been hurt before  
Don't compare them to me  
Coz I can give so much more  
And know you're all I see  
I can make it on my own, baby  
But I'd rather share all the love that's there  
I don't want to be alone and maybe  
You will see the light  
Baby, spend the night  
Shoo bee doo bee doo  
Shoo bee doo bee doo baby  
Come to me baby  
Pretty darling, don't say maybe
