Someday, you'll gonna realize  
One day, you'll see this through my eyes  
By then I won't even be there  
I'll be happy somewhere  
Even if I cared

I know you don't really see my worth  
You think you're the last guy on earth  
Well, I've got news for you  
I know I'm not that strong  
But it won't take long, won't take long

### CHORUS

'Cause someday, someone's gonna love me  
The way I wanted you to need me  
Someday, someone's gonna take your place  
One day, I'll forget about you  
You'll see, I won't even miss you  
Someday, someday

Right now, I know you can't tell  
I'm down and I'm not doin' well  
But one day, these tears  
They will all run dry  
I won't have to cry sweet goodbye

### CHORUS

'Cause someday, someone's gonna love me  
The way I wanted you to need me  
Someday, someone's gonna take your place, Ooh  
One day, I'll forget about you  
You'll see, I won't even miss you  
Someday, I know someone's gonna be there

Someday, someone's gonna love me  
The way I wanted you to need me  
Someday, someone's gonna take your place  
One day, I'll forget about you  
You'll see, I won't even miss you  
Someday, someday

Ahh yeah yeah
