Visit "[Stay \(With Me\)](#)" on [MotoLyrics.com](http://MotoLyrics.com)

When I think about the time  
I believe I knew the ways of love  
All the chances that I took  
I thought I knew it all  
Even when I wonder how  
I made it through it all  
I know I do it all over again

Chorus

Stay with me  
You & I would always be  
Close to each other  
Stay with me  
Loving you is so easy  
Please wont you stay with me

When I look into your eyes  
I don't need to hear the words I love  
I can feel it in my heart  
You have a way with me  
& I feel so good each time  
I hear you say to me  
Living each day with me  
Is all that you need

Chorus

Stay with me  
You & I would always be  
Close to each other  
Stay with me  
Loving you is so easy  
I want you always

Bridge:

Stay with me  
Everyday with me  
Stay with me  
Stay...

(Instrumental)

(Repeat bridge -except last word)

(Repeat Chorus)

Coda:

Stay, forever & ever

Forever & ever

Outro:

Stay with me

Loving you is so easy

Please wont you stay with me.
