Like a flower waitin' to bloom
Like a light bulb in a dark room
I'm here waitin' for you to come on home
And turn me on

Like the desert waitin' for rain
Like a school kid waitin' for spring
I'm sitting here waitin' for you to come on back home
And turn me on

My poor heart
It's been so dark since you been gone
After all, you're the one who turned me off
Now you're the only one that can turn me back on

Ooh!
My hi-fi's waitin' for a new tune
And my glass's waitin' for some fresh ice cubes
I'm just sitting here waitin' for you to come home
And turn me on
