Chocolate melted on my body
come and lick it right now
come on baby hold me tight
kiss me and make me say wow

I wanna make you mine
I wanna make you mine
in the room ROOM69
I wanna make you mine
I wanna make you mine
in the room ROOM69

my sexual instinct wants you
in the ROOM69 !

I don't mind if you are gay

I don't mind if you are straight
Oh I want you anyway
I don't mind if you are bi
I want to be satisfied
and make you feel right

in the room ROOM69
in the room ROOM69

my sexual instinct wants you
in the ROOM69

I'm waiting for you in the ROOM69

My sexual instinct wants you
in the ROOM69
