Spirits, souls and evil song
Speak to me
Cos' I'm your god
You feel strong
When you're weak
When you're and me
Don't burn the cross

Cause I'm your god
Don't burn the cross

Now, always before
Now, always before
I reborn in hell
I reborn in heaven

God, demon
God, evil
No faith
No faith
Just pain
Just death

Now, always before
Now, always before
The paradise is hell
And the hell is heaven
The paradise is hell
And the hell is heaven
