Feat. T-Pain

[Chorus]

I really wanna f*ck that b*tch
I wanna see how freaky she can be
And I don't give a f*ck, who's she's with
And out of all of us she's leavin' with me
Cuz shawty I'm a freak (x14)
She said she wanna see (x15) (yea) shawty

[Verse: Young Cash]

Lil baby so fine
She might be yours
But she wanna be mine
I take her
When I wine 'n dine
You a broke ass nigga
You spent a dime
Matta fact you was wastin' her time
She with a G now
She dun left you behind
She want a nigga that's on the grind
V.I.P. status
No waitin' in line (yea)
But she wanna get freaked right
Good foreplay
Den get beat right
She like it when I put my tongue on her
Now I got shawty hot
Just like a sauna

[Chorus]

I really wanna f*ck that b*tch
I wanna see how freaky she can be
And I don't give a f*ck, who's she's with
And out of all of us she's leavin' with me
Cuz shawty I'm a freak (x14) (NAPPY BOOOOOOY)
(What she say dawg)

She said she wanna see (x15) (yea) shawty

[Verse: T-pain]

Relax yo mind, and yo body

Hoping I could come to the club
And find a spouse (spouse)
Or I could hit the park

And if you f*ckin' me right
Then we can talk long term (term)

Or I can donate sperm
It's about what you tryna earn (ha)

[Chorus]

I really wanna fuck that bitch
I wanna see how freaky she can be
And I don't give a fuck, who's she's with
And out of all of us she's leavin' with me
Cuz shawty I'm a freak (x14)
She said she wanna see (x15) (yea) shawty (NAPPY
BOOOOOOY)

[Verse: Young Cash]
