Never Fade

Outside the world keeps turning,  
Rain keeps falling; School bell ringing  
You're tucked up in a place you thought you'd  
never be,  
And you see lovers holding hands that bruise and  
shape the buildings,  
Can't sleep at night so scared you'll float away,

But you'll never fade,  
Never fade,  
Never fade.

And I know you think I'm silly when I tell you  
straight,  
That you're the bravest heart I know,  
And when I sleep at night I feel peace inside myself,  
To know your courage never slows.

And you'll never fade,  
Never fade,  
Never fade,  
And I'll,  
Never fade,  
Never Fade,  
Never fade away.

You've felt pain and you've felt doubt,  
So safe you could drown in,  
You've felt sorrow growing thick.  
But hold my hand and hear my song,  
Lay your heavy head,  
And let it rest here in my arms.

And we'll,  
Never fade,  
We'll never fade,  
We'll never fade,  
And I'll,  
I'll never fade,  
When skies are gray,

Iâ€™ll never fade away,  
Yeah, Yeah,  
Weâ€™ll never fade away.
