Only with my crucifixion
You believe that I?m like god
Only with my masturbation
You believe that I?m so bad

Like your master - Like your master

Only with the cross inside of me
Only with the wafer inside
I don?t feel better than you
Better than you

With your god
With my demon
You believe that I?m so evil
With my god
With your demon
You believe that I?m not evil

I don?t believe in no one
Only in me, It?s the deal
I don?t believe in no one
Only in me, It?s the deal

Only with the cross inside of me
Only with the wafer inside
I don?t feel better than you
Better than you

Only with my crucifixion
You believe that I?m like god
Only with my masturbation
You believe that I?m so bad

Like your master - Like your master

With your god
With my demon
You believe that I?m so evil
With my god
With your demon

You believe that I?m not evil

I don?t believe in no one
Only in me, it?s the deal
I don?t believe in no one
Only in me, it?s the deal

And with your skin
Like linen cloth
Put the red script
I told you
And with your skin
Like linen cloth
Put the red script
I said to you

With your god
With my demon
You believe that I?m so evil
With my god
With your demon
You believe that I?m not evil

I don?t believe in no one
Only in me, it?s the deal
I don?t believe in no one
Only in me, it?s the deal
