I can't deny that I want to see
Through your soul
Through severity
But I'm afraid of knowing what kind of sight
What kind of message I will find
My crusade is doomed to fail
But I still carry on
Like father like son
I'm frozen inside
I know that I can get lost in this left hand side of the
path
As you can see, my time is running short
In resisting the decaying of my soul
My crusade is doomed to fail
But I still carry on
Like father like son
I'm frozen inside
I'm beginnig to see
What my role will be
In this Tunnel of Pain
