Don't cry my baby  
Don't you cry  
You know it's too soon for goodbyes  
But when the lights are all turned out  
Again I have to leave you

Don't cry my lady  
Nor will I  
Reality you can't deny  
And when the moon has made its round  
I know what I'm coming home to

Tomorrow  
I'll be gone  
Tomorrow  
I'll take your heart away  
And leave mine here with you  
Forever  
I will stay  
Forever  
I'll reach you through the distance  
So I'll be next to you

Don't think it's over  
Don't be scared  
I feel your presence everywhere  
And in the spring the bluebells sing  
And love and life are dancing

Tomorrow  
I'll be gone  
Tomorrow  
I'll take your heart away  
And leave mine here with you  
Forever  
I will stay  
Forever  
I'll reach you through the distance  
So I'll be next to you

Whisper in your ear

Something sweet  
Feel the taste of tears  
As I leave  
And walk out through the cold  
Winter night  
In a little while  
The sun will rise

And tomorrow  
I'll be gone  
Tomorrow  
I'll take your heart away  
And leave mine here with you  
And forever  
I will stay  
Forever  
I'll reach you through the distance  
So I'll be next to you  
Next to you
