Days and nights of scars
Carved into your heart
Nothing but clouds
Nothing but rain
Where you've been

Oceans made of tears
Mountains made of fears
Nothing but dust
Nothing but stone
Where you're from

Somehow you went and turned the darkness into light
Made day of night

So never look back
Stay, stay with me
From all
All that was sad
You have been released

There were no parades
Hope could never last
But more than once
You rose from the storm
On your own

Somehow you went and turned the darkness into light
Made day of night

So never look back
Stay, stay with me
From all
All that was sad
You have been released

Somehow you went and turned the darkness into light
Made day of night

So never look back (oh)
Stay, stay with me (stay with me)

From all
All that was sad (all)
(You know that)
You have been released

You have been released
