You will always know  
What I feel for you  
All the words  
You want me to say  
I'll say them to you

I'll always tell you how much I love you  
I'll never keep it inside

But when the words won't come  
Just look in my eyes  
And you will see  
The love that is there for you  
And when the words can't say  
Everything I'm feeling deep inside  
It's there in my eyes

You will always see  
What you mean to me  
I will try with all of my heart  
To be all you need

I'll always tell you how much I love you  
I'll tell you a million times

But when the words won't come  
Just look in my eyes  
And you will see  
The love that is there for you  
And when the words can't say  
Everything I'm feeling deep inside  
It's there in my eyes

I'll always tell you how much I love you  
I'll never keep it inside

But when the words won't come  
Just look in my eyes  
And you will see  
The love that is there for you  
And when the words can't say

Everything I'm feeling deep inside  
It's there in my eyes
