If you were a song
I'd sing you 'til my voice failed
If you were a book
I hope the story would never end
If you were mine

If you were a colour
I'd paint all the rooms in my house with you
And the moon
Would make every single shade come through
If you were mine

So near but out of reach
Standing here in front of me
So close but far away
I sing your song
And hope you'll stay

If you were the sun
I'd let your rays burn my skin
If you were the rain
I'd go outside feel you pouring in from the sky
Closing in on me
If you were mine

So near but out of reach
Standing here in front of me
So close but far away
I sing your song
And hope you'll stay

I hear your voice in my head at night
And it follows me here as I sing your song

I'd sing you 'til my voice failed

So near but out of reach
Standing here in front of me
So close but far away
I sing your song
And hope you'll stay

If you were a song
I'd sing you 'til my voice failed
If you were mine
