Look out!  
What is it?  
Who did it?  
What is it?  
But who's to blame?

Would you look at me right now please?  
I need You to tell me I'm a man.  
You gotta get me outer here.  
I want more life so I can feel.

What is it?  
Who did it?  
What is it?  
But who's to blame?

We all wanted  
This joy of the moment  
It will be for nothing  
So what? I don't care for it

We take vacant eyes.  
We take vacant words.  
We take vacant minds.  
We take vacant lives.  
(repeat)
