Listen, listen, let's get to zoning  
When we get to sex, baby won't forget the moment  
You see my sex is golden  
Come get the potion  
Champagne, come and get the toasting  
Cause when you talking paper, guess who gets the  
most  
Success that's the best emotion  
2 words I get the best of both things  
That's enough for boasting  
Babe, I wanna splash your ocean  
That's the motion  
Babe that promotion  
When I back it up bitch go and get the dope in  
Sex party text me a post in  
When it's going off, guess who's 'bout to host it  
Leave I can post it, light up the weed  
Lean back and smoke it

Up we goin, up we goin  
It's nothing wrong, with rose  
A couple broads,..  
With nothing on  
Up we goin, up we goin  
It's nothing wrong, with rose  
A couple broads,..  
With nothing on

Got that pillow on the side  
Fight that, fight that pillow on the side  
When I wake up in the morning about the quarter of the  
nine  
Want a chicken noodle soup, with a soda on the side  
Say you like the way you like to grab on it  
On the way you move I can imagine it  
Know you tired of getting all the average  
Won't you come and hop up on this magic stick  
Shawty spit fire sex, whoa, whoa  
With my passenger side chick  
Rolling, rolling, rolling, off the best cheese  
Yes indeed, twisting up the recipe

Baby will you come up in your testing,  
Now I wonder if I can talk it on a lecture

I ain't trying to hide it, babe I kinda like it  
I ain't finished yet, babe let me finalize it  
Trying to climax, while you trying to climb it yes  
I'm a blow the pussy off, I'm a dynamite  
I'm a tell you right now, I ain't trying to buy it but  
When I find your g spot, I'm a traumatize it  
Yeah, yeah, so i'm trying to find it, yes  
This the way it turns up, when the party rises

Up we goin, up we goin  
It's nothing wrong, with rose  
A couple broads,..  
With nothing on  
Up we goin, up we goin  
It's nothing wrong, with rose  
A couple broads,..  
With nothing on  
Uh, whoa.
