She's a China doll with a teenage daughter  
I've seen it all before, but I never thought I'd warn you  
When we're struggling to think straight  
There's another change in us  
And we both knew this time

Tell me old foe, you remember where we started  
All caught up in love with shaky hands and fickle  
hearted  
I remember you were puffy eyed  
In the morning save yourself for another guy

Aaahh aaahh aaahh  
I get used to it  
Aaahh aaahh aaahh  
I get used to it

She's a China doll with a teenage daughter  
I've seen it all before but I thought you knew better  
And she'll never look the same way  
There's another change in her  
And we both knew this time

Aaahh aaahh aaahh  
I get used to it  
Aaahh aaahh aaahh  
I get used to it

Ooooh, ooooh, ooooh, ooooh

Aaahh aaahh  
I get used to it  
Aaahh aaahh aaahh

Aaaaaahh  
Aaaaaahh  
Aaaaaahh

Aaahh aaahh aaahh  
I get used to it  
Aaahh aaahh aaahh

Aaaaaahh  
Aaaaaahh  
Aaaaaahh
