I don't wanna be another junkie
I don't wanna be no criminal
All I really want is to be free
A free rebel!

I don't wanna be another junkie
I don't wanna be no criminal
All I really want is to be free
A free rebel!

And I don't wanna be like Elvis Presley
I don't wanna be no fat asshole
I don't wanna die in white trash city
FUCK LAS VEGAS!

I don't wanna be like neo-nazis
I don't wanna eat beef and get drunk
I don't wanna live in Germany
I want my freedom!

I don't wanna be another yuppie
I don't wanna drive a Beemer
I don't wanna die in Malibu
I AM NINA!

I don't wanna be another junkie
I don't wanna be no Kurt Cobain
All I really want is to be free
A free rebel!

Na-na-na-na-na.... . . .
