I love Paul, let me be your baby doll
I love Paul, I want to be your baby doll

In front of your grace, I feel like Pigs in Space (oink-
oink)
Turn me on and on and on
And on and on and on and on and on...
Life after life after life after life
The news so far, because you are a superstar
I'm lost in space because I always see your super face
I can see God's vibes coming out of your heavenly eyes
By day and by night, my fantasy, oh hold you tight
And then we'll explode like dynamite and I can see the
Light
Liebster Paul, beep beep beep beep

Hare Krishna Hare Krishna Krishna Krishna Hare Hare
Hare Rama Hare Rama Rama Rama Hare Hare

Wow! Paul, let me be your baby doll
Wow! Paul, I wanna be your baby doll

In front of your grace, I feel like Pigs in Space (oink-
oink)
You turn me on and on and on
And on and on and on and on and on...
Life after life after life after life
Well I make the news it's so fun, because you are a
superstar
I got lost in space because I always see your super face
I can see God's vibes coming out of your heavenly eyes
By day and by night, my fantasy, oh hold you tight
And then we'll explode like dynamite and I can see the
Light
Liebster Paul, beep beep beep beep

Hare Krishna Hare Krishna Krishna Krishna Hare Hare
Hare Rama Hare Rama Rama Rama Hare Hare
