New York City is the hottest place
For a honeymoon in a hotel room
New York City is my favorite place
'Cause I know so many people with a golden face
Uh-huh
It's always late at night when I wanna go out
And New York City has for sure the horniest crowd
Especially for me, this is true,
I have the best time when you're there too
Honey, after the show, when we are ready to go
We are going disco
But before we hit East 7th Street
We are going to another disco
Disco after disco
And shaking our hair to the disco rap
AMPM, Pyramid, Roxy, Mudd Club, Danceteria
The newest club is opening up (repeat x3)
New York, New York (repeat x4)
Yeah!
New York City is the hottest place
For a honeymoon in a hotel room
Uh-huh
New York City is a place so nice
Everybody says it so they had to name it twice
New York my happy love's you, I love you very much
I could not live without you, so let's always keep in
touch
New York City has the fanciest rule
When you want to live in this town you just have to be a
fool
After the show when we are ready to go
We are going disco
But before we hit East 7th Street
We are going to another disco
Disco, after disco
And shaking our hair to the disco rap
AMPM, Pyramid, Roxy, Mudd Club, Danceteria
The newest club is opening up (repeat x3)
New York, New York (repeat x8)
Yeah
It's going hop hop hop hop hop hop
Straight up to the top

Hop hop hop hop hop hop
Straight up to the top
Let there be light
'Cause David Bowie's gonna be here tonight in New
York
I create ecstasy in my world
I know who I am
And I am willing to declare myself to the world
I am a star!
I
