"We can worship God as the Divine Mother
for Mother is closer than the Father.
And if...we pray to the Mother Divine, she will answer
through her lightning voice."

The return of the Mother!
The return of the Goddess of Love! (x2)

Come to me!
Hail Mary
What do I see?
Who do we have here now?
We wanna take a ride with you
die die die die die die die die die (x2)

d-d-d-d-d-d-d-d-die-die-die
die die die die die die die die die

Come to me!
Hail Mary
Come to me!
Hail Mary
The return of the Mother!
The return of the Goddess of Love!

My revelation is a revolution
Establish justice for all in my world
And if you truly love me, you will change everything for
me
And with you always, I'm always with you.

Come to me!
Hail Mary
What do I see?
Who do we have here now?
We wanna take a ride with you
die die die die die die die die die (x2)

d-d-d-d-d-d-d-d-die-die-die
die die die die die die die die die (x2)
die die die die die die die die die
d-d-d-d-d-d-d-d-die-die-die

Come to me!
Hail Mary
Come to me!
Hail Mary
Hail Mary

Those who have awoken to the Mother
Have given birth to the Divine Child within themselves
They have all a certain look like no other
Like the dog that died next to my hotel.

The return of the Mother!
The return of the Goddess of Love!
Every soul turns towards the Mother!
Every soul turns to the Goddess of Love! (x2)
