( Nina Hynes on Hector Zazou - Strong currents LP -  
2004 )

Chocolate kings lie under my feet  
Waiting to be  
Devoured by me  
Devoured by me

You promised me delivery  
You're just using me  
Here's a knife  
Go on make me bleed  
Go on make me bleed

Under my wing  
Under my wing  
Ladders in your tights  
Strange faces in the night  
On the street  
No one knows you.  
You can be anyone  
Just chose

Oh my sweet  
Come here my darling.  
Must be cold where you're coming from  
'Cause your clothes are wrapped so tightly,  
Makes me want to tear them from you  
No camouflage, bare the big blue  
I'll caress your ear  
Run my fingers through your hair  
Like your mother would  
Like your mother would

Oh my sweet  
Come here my darling  
Let me caress your ear  
If you play dead  
Maybe then  
You won't have to feel, have to feel.

Oh my sweet  
Come here my darling  
I'll take you in  
I'll mind you under my wing  
Under my wing, under my wing  
Under my wing, under my wing
