Oh baby, baby
Oh baby, baby

Oh baby, baby, how was I supposed to know
That something wasn't right here
Oh baby, baby, I shouldn't have let you go
And now you're out of sight, yeah

Show me how you want it to be
Tell me baby, 'cos I need to know now, oh because

My loneliness is killing me and I
I must confess I still believe, still believe
When you're not with me I lose my mind
Give me a sign, hit me baby one more time
Hit me, hit me

Oh baby, baby, the reason I breathe is you
Yeah, you got me blinded
Oh pretty baby, there's nothing that I wouldn't do
It's not the way I planned it

Show me how you want it to be
Tell me baby, 'cos I need to know now, oh because

My loneliness is killing me and I
I must confess I still believe, still believe
When you're not with me I lose my mind
Give me a sign, hit me baby one more time

Oh baby, baby, oh oh oh
Oh baby, baby, oh oh

Oh baby, baby, how was I supposed to know?
Oh pretty baby, I shouldn't have let you go, yeah, yeah

I must confess that my loneliness is killing me now
Don't you know I still believe
That you will be here, give me a sign
Hit me baby one more time

My loneliness is killing me and I
I must confess I still believe, still believe
When you're not with me I lose my mind
Give me a sign, hit me baby one more time

My loneliness is killing me and I
I must confess I still believe, still believe
When you're not with me I lose my mind
Give me a sign, hit me baby one more time
