Green hocker croakin'  
In the pygmy twylyte

Crankin' an' a-coke'n  
In the winchell's do-nut midnite

Out of his deep on a 'fore day run  
Hurtin' for sleep in the quaalude moonlight

Green hocker in a greyhound locker  
Smokin' in the pygmy twylyte  
Joined the bus  
33rd seat  
Doo-doo room  
Reek replete

Crystal eye, crystal eye  
Got a crystal kidney & he's fraid to die  
In the pygmy twylyte  
Downer midnite  
Pygmy twylyte  
Downer midnite  
Pygmy twylyte  
Downer midnite  
Pygmy twylyte  
Downer midnite

Waahhh! wait a minute  
Don't spray that stuff in my eyes  
All we're tryin' to do is to have a little party  
Somebody tell me if the bluesy... was your little party  
Make me wanna jump up and down

I said aaahhh!

Honey, honey  
Honey, honey  
Tush tush  
Honey, honey  
Too young!  
Honey, honey

Wait a minute!

Honey, honey  
Honey, honey  
Honey, honey  
Honey, honey

Get him down  
Get him down  
Get him down  
What you're gonna do  
When your time is up?  
What you're gonna do  
When your time is up?  
Are you gonna take me?  
What are you gonna be?  
I might just tell you please  
What are you gonna say?  
One thing  
I wanna know  
One thing, baby  
I wanna know  
I wanna know  
I wanna know...  
Right over there, there's a  
Doo-doo room  
Right upstairs there's a  
Doo-doo room  
Right out back here there's a  
Doo-doo room  
In perellis' pocket there's a  
Doo-doo room
