I've Got a Praise on my lips, that i can't seem to resist  
It's a praise that resounds all around.

I've got a praise, and its personal, personal to me  
God gets a praise, and its tailor made from me.  
He gets a praise, and its tailor made from me.

I've Got a Praise on my lips, that i can't seem to resist  
It's a praise that resounds all around.

I've got a praise, and its personal, personal to me  
God gets a praise, and its tailor made from me.  
He gets a praise, and its tailor made from me.

Nobody but you deserves my praise.

All that's within me, everyday!

Hallelujah, is the highest praise!

But yet and still

But yet and still

God gets a praise, and its tailor made from me.

He gets a praise and its tailor made from me.

Nobody but you deserves my praise.

All that's within me, everyday!

Hallelujah, is the highest praise!

But yet and still

But yet and still

God gets a praise, and its tailor made from me.

He gets a praise and its tailor made from me.

I've got a tailor made praise.

I've got a tailor made praise!

I've got a tailor made praise

And its custom-fit for him

So let the praises begin

I've got a tailor made praise.

I've got a tailor made praise!

I've got a tailor made praise

And its custom-fit for him

So let the praises begin

I've got a tailor made praise.

I've got a tailor made praise!

I've got a tailor made praise  
And its custom-fit for him  
So let the praises begin

I've got  
I've got  
I've got  
And its custom fit for him,  
So let the praises begin  
I'VE GOT A TAILOR MADE PRAISE!

I've got  
I've got  
I've got  
And its custom fit for him,  
So let the praises begin  
I'VE GOT A TAILOR MADE PRAISE!

I've got  
I've got  
I've got  
And its custom fit for him,  
So let the praises begin  
I'VE GOT A TAILOR MADE PRAISE!
