I thought there was no love
Like this love of mine
Somehow I found it out
What your love was my kind

Has anybody seen my girl?
Has anybody seen my girl?
Can't stop talking about her
Has anybody seen my girl?
Has anybody seen my girl?
Can't stop talking about her

I thought there was no cure
From a love like mine
Now there ain't no cure
From this (?) of mine

Has anybody seen my girl?
Has anybody seen my girl?
Can't stop talking about her
Has anybody seen my girl?
Has anybody seen my girl?
Can't stop talking about her

Has everybody seen my girl?
Has everybody seen my girl?
Feels like everybody's talking about her
Has everybody seen my girl?
Has everybody seen my girl?
Feels like everybody's talking about her

She never tucked me in
She never said goodbye
So I lost a friend
It's not like I'm gonna die

Has anybody seen my girl?
Has anybody seen my girl?
Can't stop talking about her
Has anybody seen my girl?
Has anybody seen my girl?

Can't stop talking about her

Has everybody seen my girl?
Has everybody seen my girl?
Feels like everybody's talking about her
Has everybody seen my girl?
Has everybody seen my girl?
Feels like everybody's talking about her
