How do I express this unconditional
Ecstasy we're feeling
Every time we are together
I will do my best
Consider it a promise
That I will try forever
Just as long as we're together
With the architects daughter
I hope you don't think less of me
If I dare to tell you
From that moment on the corner
I thought I felt forever
And though we're not together
Yet I hope to be
With the architects daughter
An hour since you left
My senses are still reeling
Though I try to resist it
My heart cannot stop beating
For the architects daughter
