How could I love  
Someone so much  
And be so incompatible  
It's unfathomable to me  
That I could love you  
The way I do  
And yet still be so incompatible  
It's unbelievable to me  
When I met you  
You were beautiful  
Everything I ever wanted to see  
That's what you were to me  
And so it's unfathomable  
That we're so incompatible  
To me  
Our pride and prejudice  
Me in my scowl  
And you in your lonely dress  
Baby we can't talk  
Without breaking up  
Why bother making up  
When you're so incompatible with me  
Why do I hate you  
I never wanted to  
We were inseparable  
So it's inconceivable  
To hate you  
My princess bride  
Let's go for a ride  
And let's try not to say anything  
That could spoil this thing called us  
No matter how much  
That I love you  
We'll never get along  
That's why I sing this song  
For you  
Our pride and prejudice  
You in your know it all  
And my cloak of arrogance  
Baby we can't talk  
Without breaking up  
So why should we make up

When we're so incompatible you see  
You're so incompatible with me
