You're on my side again
You make me cry again
Smiley

You talk me round again
Everything's left
So untidy

I'm not that strong
Everything's easy
Greezy

You're not a bitch
It's your job, tease me
Push me

Under your thumb
Am i suffering
From being tied?

Keep it easy
I'm not one to fight
Close your mouth
I'm not one to fight

Don't be a friend to me
Keep yourself far from me
Smiley

Make it easy
I'm not one to fight
Close your mouth
I'm not one fight

Uh...
