Kirei na kotoba de katazukeru kimi ga
Dare yori kanashii kao wo miseru you ni

Utagau kokoro yasama you yubisaki
Mayotta bun dake saki e susumunda

Ato natte koudatte kizuku made
Nando datte ubaiatte
Asa ni natte kurumatte miagetara
Mado ni sasu gaikou

Yasashii hito ni wa narenai bokura ga
Kanashii kioku wo yurusenai you ni

Wakatte furi nara dekinakute ii sa
Waratta bun dake saki e susumunda

Ato natte koudatte kizuku made
Nando datte ubaiatte
Asa ni natte kurumatte miagetara
Mado ni sasu gaikou

My name is Jack
Just tell me you are ok
My name is Jack
I've been standing next to you
In the storyboard
You can draw another one of your own

Ato natte koudatte kizuku made
Nando datte ubaiatte
Asa ni natte kurumatte miagetara
Mado ni sasu gaikou
