You shy boy
Don't be afraid
In your book what does it say to you?
Easy easy easy does it
You just have to love who you are

Day by day
Things are all messed up
All we need is cakes and ale and everlasting laugh
Face our faith
It'll be alright
Hesitate no more
We'll be fine
Let's throw them all on fire

Hey shy girl
Don't she'd no tears
In your song what does it say to you?
Easy easy easy does it
You just have to enjoy who you are

Day by day
Things are all messed up

All we need is cakes and ale and everlasting laugh
Face our faith
It'll be alright
Hesitate no more
We'll be fine
Smash the radio
Hey girl let's smash the radio

Day by day
Things are all messed up
All I need is cakes and ale and everlasting laugh
Day by day
Things are all messed up
All we need is cakes and ale and everlasting laugh
Face our faith
It'll be alright
Hesitate no more

We'll be fine
Smash the radio
Hey man let's throw them all on fire
