(Verse 1)

While I was falling outta cloud 9

On the way down it crossed my mind

What if the world came to an end

And you and I were the last ones left

(chorus)

Until the end of time

Say you'll always be my Valentine, be mine

Until the end of time

Say you'll always be my Valentine, be mine.

(Verse 2)

What if some way we were vampires

And we never could die

And a million years pass us by

I could have your blood and you can have some of  
mine

It would be romantic and sublime

(Chorus)

(Verse 3)

And if we live the rest of our lives

Just you and me on a desert isle

With no tools and no so supplies

All we could bring is the love inside

(Chorus)

Be my valentine (8x)

(Chorus)
