(Verse 1)

I'll understand if you decline

The love prepared for you tonight

Wanting for more the prince may find

Himself without the girl inside

'Cause when the north wind entangles me

I'm gone with my heart and

My dreams they carry me

I love you

butâ€¦.

(Chorus)

I can't say

That I will stay

You won't take the risk of falling for a wanderer

(Verse 2)

Here's to the way I kiss you there

Until an army of your hairs

All stand in line, salute to me

It was short but it was sweet

We've come a long way and

This hurts me

Just like it hurts you

I'm torn and I'm tortured when

I love you

But

(Chorus)
