You know I know you're shy...
I do, and still I'm over it tonight.
Ya wanna be my guy,
You're gonna have to say you do, alright.

Instead of keep it to yourself,
Instead of throw your chance away,
Admit it to somebody else:
Get up in my face! Get up in my face!

Kiss me, tell me!
Baby, c'mon,
Get up in my face! Get up in my face!
Wow me, sell me
Quick or I'm gone!
Get up in my face! Get up in my face!

I really tried to wait...
Until we hit our eighty-second date.
I'm sick of this, okay?
It's now or never, later is too late.

Instead of keep it to yourself,
Instead of throw your chance away,
Admit it to somebody else:
Get up in my face! Get up in my face!

Kiss me, tell me!
Baby, c'mon,
Get up in my face! Get up in my face!
Wow me, sell me
Quick or I'm gone!
Get up in my face! Get up in my face!

Even if you're scared to do it,
Even if you're shakin' in your shoes,
Aren't I entitled to the words?
Why ya wanna put me through this,
When you've got it all to win or lose?
Whisper to me what I haven't heard!

Kiss me, tell me!
Baby, c'mon,
Get up in my face! Get up in my face!
Wow me, sell me
Quick or I'm gone!
Get up in my face! Get up in my face!
[x2]

Kiss me, tell me!
Baby, c'mon,
Get up in my face! Get up in my face!
