..
But I see her,
Baby you got what I want, yeah,
But still can't see anything in here!

Bridge:
You Shawty,
I don't want to look for what you done to me
You got my attention through the night
I can't play nice, got me all ,

Chorus:
She's my baby and I don't want no one else
When I see her, I forget about the rest
Every time she hit the floor
I begin to lose control
And I can't help.. over you, you, yeah!

What's wrong with me?
Gimmie lies cause,
You got me falling for you in no time!
Time, something's up
Cause you're up..

Bridge:
You Shawty,
I don't want to look for what you done to me
You got my attention through the night
I can't play nice, got me all ,

Chorus:
She's my baby and I don't want no one else
When I see her, I forget about the rest
Every time she hit the floor
I begin to lose control
And I can't help.. over you, you, yeah!
