My heart don't want to believe  
That after all this, girl you will do this to me!  
But I was so blind not to see,  
I don't have what you want,  
But could it be what you need?  
Hey, gave this love thing a chance,  
I'm putting my all, cause I ain't want no one else  
But now I clearly can see  
You did what love gonna do, just wanna be seen  
You used me, girl!

Chorus:

Oh, all it sees my chain and a fancy face,  
Girl, you only love the fame  
Everything that I bring  
Cause you play me baby, only love my fame  
All it sees my chain and a fancy face,  
Girl, you only love the fame  
Everything that I bring  
Cause you play me baby, only love my fame

I put my heart in your hand,  
You played with my mind  
Made me the less of a man.  
..could I ever be  
... you took it from me, hey!  
I gave this love thing a chance  
I put in my all, cause I ain't want no one else!  
But now I clearly can see  
You did what love girl, you just wanna be seen  
You used me, girl!

Chorus:

Oh, all it sees my chain and a fancy face,  
Girl, you only love the fame  
Everything that I bring  
Cause you play me baby, only love my fame  
All it sees my chain and a fancy face,  
Girl, you only love the fame  
Everything that I bring  
Cause you play me baby, only love my fame

I gave this love thing a chance  
I put in my all, cause I don't want no one else!  
But now I clearly can see  
You did what love girl, you just wanna be seen  
You used me, girl!
