[Verse 1:]

When you need to smile  
But you can't afford it  
Go on point it out  
I'm gonna steal it  
When the floor is more familiar than the ceiling  
I will break in late at night  
Shake up how you're feeling

[Chorus:]

I'll never stop  
Breaking the law for you  
I'll never stop  
Helping to pull you through  
Whatever it takes to get what you need  
Ignore the alarms  
Ignore the police  
I'll never stop  
Breaking the law for you

[Verse 2:]

When you're taking steps  
But need to go faster  
We can speed through streets  
So the shadows can't catch ya, eh, eh yeh, yeh  
When the corridors and all the stairs are making you  
tired  
I will come for you  
Set the building on fire

[Chorus:]

I'll never stop  
Breaking the law for you  
I'll never stop  
Helping to pull you through  
Whatever it takes to get what you need  
Ignore the alarms  
Ignore the police  
I'll never stop  
Breaking the law for you

[Bridge:]

I'll never stop, i'll never stop no, i'll never stop no,  
breaking the law for you  
I'll never stop, i'll never stop no, i'll never stop no,  
Breaking the law for you.

[Chorus:]

I'll never stop  
Breaking the law for you  
I'll never stop  
Helping to pull you through  
Whatever it takes to get what you need  
Ignore the alarms  
Ignore the police  
I'll never stop  
Breaking the law for you  
I'll never stop  
Breaking the law for you  
I'll never stop  
Helping to pull you through  
Whatever it takes to get what you need  
Ignore the alarms  
Ignore the police  
I'll never stop  
Breaking the law for you
