The ferris wheel it turns 360  
My appetite for love is drifting  
You sort of caught my eye baby  
Just ain't my ticket oo you just so tempting  
It's been sweet like love  
It's crazy  
I'm standing here in line just waiting  
For you to notice me(Notice Me)  
I hope you give me a chance  
Baby you must understand

It's like my heart is on a ride  
I lost myself with her tonight  
For a little bit of fun, a lot of bit of buzz  
Her kiss was like some cotton candy love  
She spinnin' round and round.  
I'm lost inside of her somehow  
Somehow she gained my trust  
I know just what it was  
Her kiss was like some cotton candy love

Like candy apple dipped in chocolate  
She wore me out, I'm so exhausted  
She emptied out my heart my wallet  
And now I'm yellin'  
Baby please stop this  
I'm locked inside silent movie  
And I can't speak no words  
Oh no you didn't, oh yeah you did  
You took the shot but I payed the cost

It's like my heart is on a ride  
I lost myself with her tonight  
I lost myself with her tonight  
For a little bit of fun, a lot of bit of buzz  
Her kiss was like some cotton candy love  
She spinnin' round and round.got me (Spinnin' Round)  
I'm lost inside of her somehow(I'm lost inside of her  
somehow)  
Somehow she gained my trust  
I know just what it was

Her kiss was like some cotton candy love  
Cotton Candy Love

You took the dice and you rolled  
And now you takin' control  
You got sweatin' heavy makin me so crazy you know  
And now you're ready to leave don't tell me you're just  
a tease  
I'm nearly crying, beggin', pleading for you to stay with  
me(Stay with me)

It's like my heart is on a ride  
I lost myself with her tonight  
I lost myself with her tonight  
For a little bit of fun, a lot of bit of buzz  
Her kiss was like some cotton candy love  
She spinnin' round and round.got me (Spinnin' Round)  
I'm lost inside of her somehow(I'm lost inside of her  
somehow)  
Somehow she gained my trust  
I know just what it was  
Her kiss was like some cotton candy love  
Just like some Cotton Candy Love
