I wish I knew how  
It would feel to be free  
I wish I could break  
All the chains holding me  
I wish I could say  
All the things that I should say  
Say 'em loud say 'em clear  
For the whole round world to hear

I wish I could share  
All the love that's in my heart  
Remove all the bars  
That keeps us apart  
I wish you could know  
How it feels to be me  
Then you'd see and agree  
Every man should be free

I wish I could live  
Like I'm longin' to live  
I wish I could give  
All I'm longin' to give  
I wish I could do  
All the things that I should do  
Though I'm way overdue  
I'd be starting anew.

I wish I could be like a bird in the sky  
How sweet it would be  
If I found out I could fly  
I'd soar to the sun  
And look down on the sea  
And you'll see and agree  
oh yes you'll see and agree  
oh yes you'll see and agree  
That every man should be free  
Oh every man should be free (8x)
