[Kendrick Lamar]

I'm lookin' at the flashy lights and wonder - the price  
and number  
Enticed by the glamorous ice, I wanna  
Unite with the Hollywood twice, my concert'll look like  
yours  
And I wanted more than I could ever imagine, even a  
kicked-down door  
So you can hear that I'm rapping, see, I can hear  
"encore"  
Struck by the fame bug, been fightin' the same drug  
The feelin' that caned us in vain, it's tough love

[Emeli Sande]

You won't find him drinkin' at the tables  
Rolling dice and staying out 'til three  
You won't ever find him being unfaithful  
You will find him, you'll find him next to me

You won't find him trying to chase the devil  
For money, fame, for power, out of grief  
You won't ever find him where the rest go  
You will find him, you'll find him next to me

[Hook]

Next to me ooh, ooh  
Next to me ooh, ooh  
Next to me ooh, ooh  
You will find him, you'll find him next to me

[Emeli Sande]

When the money's spent and all my friends have  
vanished  
And I can't seem to find no help or love for free  
I know there's no need for me to panic  
Cause I'll find him, I'll find him next to me

[Kendrick Lamar]

Tough love - please help me, please help me  
I'm on my knees, please help me, need you to tell me  
Ain't nothing' bigger than you, I thought a Benz would  
do

But nothin' bigger than you, ain't nothin' bigger than  
truth  
And truth be told, the totem pole  
Of non-believers just made the cattle blow  
But I can see ya, even when my vision's impaired  
Many moons away, but still you're right here

[Hook]

Next to me ooh, ooh  
Next to me ooh, ooh  
Next to me ooh, ooh  
You will find him, you'll find him next to me

When the end has come and buildings falling down  
fast  
When we spoilt the land and dried up all the sea  
When everyone has lost their heads around us  
You will find him you'll find him next to me
