Like a pair of shoes
Baby like a pair of gloves
We'll be flying high
Kind of like some turtle doves
Sort of like Ben and Jerry's
Peanut butter and jelly
I know it may seem scary
But you're extraordinary

I think I'm falling in love with you
And I know that it's true - so true

How do I say?
How do I show you what I'm feeling?
Why am I scared?
Why can't I tell you what the deal is?
Can't think of the line
No matter how hard I try
To tell you, you could, you could be
The perfect fit

Like a pair of jeans bonded with the perfect thread
Like a pair of shades guaranteeing to protect
Sort of like Marge and Homer
Halloween in late October
You got that special touch
Can't describe what's between us

You know you're falling in love with me
And it's true so true
Cause there's no me without you

How do I say?
How do I show you what I'm feeling?
Why am I scared?
Why can't I tell you what the deal is?
Can't think of the line
No matter how hard I try
To tell you, you could be, you could be
The perfect fit

Like the perfect kiss
Baby you're the perfect bliss
You've had my heart all along
So perfect for me
Baby you're the missing piece
My other half, you fit perfectly

Ohhh
Ooh yeah
Ooh yeah
Baby you're the perfect fit
You just so perfect, oh you're just so perfect, yeah
You just so perfect, oh you're just so perfect, yeah

How do I say?
How do I say?
How do I show you what I'm feeling?
Why am I scared?
Why can't I tell you what the deal is?
Can't think of the line
No matter how hard I try
To tell you, you could, you could be
The perfect fit

How do I say?
How do I show you what I'm feeling?
Why am I scared?
Why can't I tell you what the deal is?
Can't think of the line
No matter how hard I try
To tell you, you could be, you could be
You could be the perfect fit

You're just so perfect
Oh, you're just so perfect
Girl you're just so perfect
You're just so perfect
You fit so perfectly
You're just so perfect
Imma be right there for you baby
You're just so perfect girl
Ohh
Baby you're a perfect fit~
