Yeah, do it right!
Southern smoke, easy breath, baby!
Southern smoke!
Sisi boy,... baby!
Pussy!
... easy boy.
... fantasy, so I'm hot..
Can't love my... Bugatti..
... 24 hours, man, I'm 24 hour,
Brought it there... area
And I don't give a damn fuck!
The best of both worlds..
And never say never, you!
I'm fucking out the zone, all alone..
The French mafia,...
Transforms us monsters...

Chorus:

Tell me, tell me, I don't own my!
UK, tell me, tell me, I don't own my!
I control my sway, I control my money!
I control my ice, I control UK!
Tell me, tell me, I don't own my!
UK, tell me, tell me, I don't own my!

Good, cause I...
I think I'm looking good,
Never been the damn sucker!
I ain't... good, never leave for prom, suck of!
Never in the club, I'm a club..
That mean I get the club jumping,
I'm dropping rappers here,
... I reply with..
I let my... so... , cause all the rappers all..
Cause all the rappers fought me for being the best..
Rappers can't hold me, cause I'm the best rapper!
Rappers you can call me, the best rapper!
I'm a dog, I'm a beast... ,
Hard to get it in order, order me, I order..
Cause I'm the bloody peasant..
I'm a beast, at least you should get a piece of that pie

before I die!
Because I am no one else...

Chorus:

Tell me, tell me, I don't own my!
UK, tell me, tell me, I don't own my!
I control my sway, I control my money!
I control my ice, I control UK!
Tell me, tell me, I don't own my!
UK, tell me, tell me, I don't own my!

Get off the way, I've got my own, get off the way!
I've got my own, get off the way!
I've got my own, get off the way!
I've got my own, get off the way!
Get off the way, I've got my own, get off the way!

Chorus:

I control my sway, I control my money!
I control my ice, I control UK!
Tell me, tell me, I don't own my!
UK, tell me, tell me, I don't own my!
