"Do I Move You"

Do I move you, are you willin'
Do I groove you, is it thrillin'
Do I soothe you, tell the truth now
Do I move you, are you loose now
The answer better be (Yes, yes)
It pleases me

Are you ready for this action
Does it give you satisfaction
Are you hip to what I'm sayin'

If you are then let's start swayin'
The answer better be (Yes, yes)
It pleases me

When I touch you do you quiver
From your head down to your liver
If you like it let me know it
Don't be psychic or you'll blow it
The answer better be (Yes, yes)
It pleases me
