Falling in love again I never wanted to
What am I to do I can't help it
Love has always been my game play it how I may
I was made that way I can't help it

Men cluster to me like moths around a flame
And if their wings burn I know I'm not to blame
Falling in love again I never wanted to
What am I to do I can't help it

Men cluster to me like moths around a flame
And if their wings burn I know I'm not to blame
Falling in love again I never wanted to
What am I to do I can't help it
