"Go to Hell"

Your mind lies in the Devil's workshop
Evil doing your thrill
The trouble and mischief is all you live for

You know darn well
That you'll go to hell
You'll go to hell

So, you're living high and mighty
Rich off the fat of the land
Just don't dispose of your natural soul

'Cos you know darn well
That you'll go to hell
That you'll go to hell

I say hell
Where your natural soul burns
Hell
Where you pay for your sins
Hell
Keep your children from wrong doing

'Cos you know darn well
That they'll go to hell
They'll go to hell

I say hell
Man, woman created
Hell
To live for eternity
Hell
With an apple they ate from the tree of hate

So, you know darn well
That they went to hell
They went to hell

Now, Satan was an Angel in heaven
But he stirred up trouble and woe
So, the Lord commanded that the devil be branded

So you know darn well
He went to hell
Yeah, he went to hell
Yeah, he went to hell
He went to hell
